

FRIENDSHIP AGREEMENT

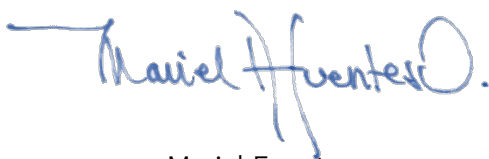

Between Asociación Profesional de Diseñadores de Iluminación (APDI) and the International Association of Lighting Designers (IALD)

For the purpose of continuing our collaborative efforts, APDI and IALD do hereby agree to establish this Friendship Agreement between our respective organizations. This agreement describes the areas of friendship, cooperation, and collaboration to benefit the association members and the profession. APDI and IALD have entered into this Friendship Agreement to raise awareness of the profession, locally and internationally, and to provide for its future development, including:

1. Exchange visits and views between the members of the two organizations in order to promote cooperative discussion and efforts relating to areas of common importance
2. Maintain a regular exchange of newsletters and other information to ensure each is informed of the other's key concerns and activities
3. Encourage the members of each organization to participate in activities by the other organization
4. Pursue other cooperative activities and discussion as may be necessary and appropriate; plan jointly sponsored activities and collaborate in conferences, events, workshops, etc.
5. Compare member names and affiliations for the sole purpose of identifying individuals who are currently members of both societies.
6. Review this agreement every three years; the agreement shall remain in force and valid unless either party notifies the other of intent to modify or end this agreement, in which case the parties shall have 90 days to reach mutually agreeable terms for continuation of the agreement.

The intent of this agreement is to foster cooperative activities between APDI and IALD. This agreement does not create any legal or financial obligations between the parties; this agreement in no way restricts the parties from participating in any activity with other public or private agencies, organizations or individuals.

In witness whereof both parties do hereby affix their signatures on December 1st 2022.
