

Job Opportunity: Lighting Designers for LDC Madrid

Are you a talented Lighting Designer looking to be part of a dynamic team delivering world-leading projects? Join us at LDC Madrid and be a part of our innovative approach to architectural lighting design.

About Us:

At LDC Madrid, we've been at the forefront of lighting and media design for over a decade. With a portfolio spanning 20 countries and a focus on cultural, hospitality, retail, office, and mixed-use schemes, we're dedicated to pushing the boundaries of creativity and innovation.

Position Overview:

As a Lighting Designer at LDC Madrid, you'll have the opportunity to collaborate with international and Spanish design teams, creating cutting-edge light and media schemes for permanent architectural installations. From concept to completion, you'll play a pivotal role in all project stages, producing detailed plans, specifications, and reports.

Key Responsibilities:

- Collaborate with international and Spanish design teams on innovative lighting schemes.
- Provide design and production support in close collaboration with project directors.
- Produce detailed lighting plans, specifications, and comprehensive reports.
- Conduct site visits to assess and review lighting installations.
- Manage project timelines, budgets, and resources.
- Effectively communicate with clients, contractors, and suppliers in English and Spanish.
- Travel nationally and internationally as required.

Minimum Requirements:

- Technology savvy and a quick learner.
- Demonstrable experience in lighting design or audiovisual design in an architectural context.
- Strong technical knowledge of lighting and audiovisual technologies.
- Proficiency in Adobe Creative Suite, Microsoft Office, AutoCAD, and ideally Revit and other 3D packages.
- Excellent communication, presentation, and collaboration skills.
- Comfortable with hybrid working and occasional travel.
- Eligible to work in the EU.
- Proficiency in both Spanish and English is essential.

Location:

Madrid, Spain

Employment Type:

6-month contract with the possibility of extension to permanent employment.

Immediate Start

Why Join Us:

- Be a part of a dynamic, growing company with a portfolio of groundbreaking projects.
- Explore and innovate in the field of lighting and experiential spaces.
- Work in a collaborative, creative environment.

How to Apply:

If you're ready to join us in pushing the boundaries of lighting design, please send your application letter, including your portfolio and skills, to paloma@ldcol.com
